ITEM DISCUSSED: Beaverton Police Department

Discussion points: Officer Mike Smith/activity for the month

Past month (December) most calls are consistent, with many theft calls, auto burglaries and theft at the transit center.

Traffic crashes Hwy 26/217 weather related; last year at this time we had 22 auto accidents in 1 day. Please be careful in cold and rain on the highways.

Behavior patterns are different when it rains so please SLOW DOWN.

Lots of lost/stolen property at this time of the year, i.e. lost wallets, stolen property. Please do not leave items visible in your cars, store in your trunk, especially in malls.

At Thanksgiving there were 11 DUI arrests, which is average.

In connection with the recent high-profile incident involving a local teen and a bombing attempt at the Portland Tree Lighting Ceremony, a press release was issued to all city employees regarding safety issues.
